**GRAND PRIX
At F1 Boston**

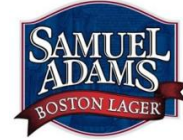

September 25, 2010

Celebrate **Octoberfest** with Sam Adams and race for a great cause at F1 Boston!

Thank you for your interest in the Arthritis Foundation's "Oktoberfest Grand Prix" at F1 Boston. I assure you this is no ordinary event. On September 25, 2010, you and your guests will enjoy a great indoor racing facility, food, beer and entertainment while raising money for research, programs and services to fight the leading cause of disability for people in the United States—Arthritis.

Invite a group of up to ten people to celebrate Oktoberfest at F1 Boston. Create a team of 3 to 5 drivers and compete in an endurance race to determine the best "Oktoberfest Grand Prix" kart racing team. Each team will participate in a 60-minute practice and qualifying session. You will then move to the championship races where you will have the opportunity to race for the checkered flag.

Ten people can enjoy the entire program for a registration fee of \$3,500. You can find a corporate sponsor, such as your employer, or raise the funds through our online donation system. The Arthritis Foundation Staff is here to guide you every step of the way until you meet your objective.

Your entry fee will provide marketing opportunities for your organization in our event materials, driver's training instruction and practice rounds, qualifying races, championship races, post-race party, awards and most importantly a donation to the Arthritis Foundation.

The Oktoberfest post-race party includes dinner, entertainment, raffles and auctions featuring great items from sports memorabilia to vacation homes. And each person at your table will receive two beers courtesy of Boston Beer Company (Sam Adams). What a great "team" event for your company!

We look forward to your participation and a rewarding day. One where you create good will for your business while having a great time racing for the title of "Oktoberfest" champion. Enclosed you will find additional information about the event and how you and your company can participate.

Sincerely,
